Key Features

Name FTS 60 model version 2.0

Version Instant

Branding NESCAFÉ®

Manufacturer Rheavendors Industries SPA

Overview:

- NESCAFÉ FTS 60 is the updated machine model for from Q2 2020.

This is our mid-sized machine designed for soluble ingredients that can deliver great quality coffee, cup after cup, allowing you to target a wider consumer range to drive more cup sales.

The 10" touch screen is now clubbed with a brand new user interface that unlocks new features such as cup customization (eg. Adding an additional shot of espresso, different cup sizes etc.). An Adjustable cup stand has been introduced to accommodate different Cup heights.

The machine can additionally be configured with the following options:

- Side Hot Water Outlet.
